

## **RESOLUTION SUPPORTING LEGISLATION PROTECTING CLIMATE AND ECONOMY**

WHEREAS California has a longstanding leadership position in environmental policy, setting a path for the rest of the nation, and

WHEREAS Menlo Park has an ongoing Climate Protection policy that would be hampered by the passage of Proposition 23

WHEREAS Menlo Park is a leader in “clean energy technology” technology which is an important driver of local economic growth in Menlo Park

WHEREAS Proposition 23 threatens to stop California’s groundbreaking climate protection legislation that combats climate change, supports the state and local economy, and

THEREFORE IT BE RESOLVED

that we, the City Council of Menlo Park, do hereby

OPPOSE California Prop 23 which threatens to rollback California’s landmark climate protection law AB32
