

Valentina Cogoni  
Trustee, City of Menlo Park, CA  
19 October 2015

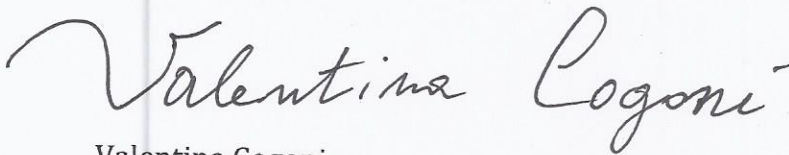

To the Mayor, City Council Members, District Manager, City Manager, City Clerk, and fellow Trustees:

This letter is to inform you that I have decided not to seek reappointment as the Trustee of the San Mateo County Mosquito and Vector Control District. It's with great sadness that I find that I cannot dedicate the time needed to serve the district and its residents.

It has been my distinct honor and pleasure to serve this wonderful city for approximately eight years. I have learned and grown tremendously during my tenure as trustee. Participating in local government has been both enlightening and challenging.

I want to thank you all for the opportunity to serve the City of Menlo Park, and the Mosquito and Vector Control District. I am very proud of the work we have accomplished, and I thank you all again for entrusting me with this position.

Most respectfully,

A handwritten signature in cursive script that reads "Valentina Cogoni". The signature is written in black ink and is positioned above the printed name.
