Please proceed to an Administrative Review regarding my Notice of Parking Violation, Issue No: 01142746/10-30-2015/ Officer name Sharma/ Agency 44/ Location : Block 3v Plaza 3 (see attached copy of notice).

I contest the citation based on the follow facts: On 10/30/2015 I parked my car, Jeep Grand Cherokee, License No. 7CAW228 on parking lot Block 3 Plaza 3 at 9:55 AM. I had a business meeting in the area. I ended my meeting at 11:55 AM, I pick up my car and went to get lunch. I came back at 12: 35 PM and I parked my car on the same parking lot on a different row and obviously different parking spot. I attend another meeting that ended at 2:10 PM. When I came back to then parking I found a Ticket for parking violation posted on my windshield. There is no restriction and it can't be restrictions to park multiple times in the same day on the same parking lot. The only restriction as far as is mentioned on boards and the notification of parking violation paper ticket is to avoid parking the car more than two hours in the same parking spot.

Based on the above facts I contest the citation.

Thank you for your consideration,
