RE: Parking Violation Contestation (Issue No. 01142742)

To whom it may concern,

I, Matthew Kunkel, am contesting the Notice of Parking Violation (Issue No. 01142742) I received on Friday, October 30th, 2015 at time 13:23.

I am contesting this violation because I had left for 1.5 hours during the time my car was recorded and even returned in a completely different space in the lot. My time line is as follows:

- 1) Arrived in lot 9:45AM
- 2) Marked by City at 11:02AM
- 3) Left Parking lot to go to meeting back at company at 11:30AM
- 4) Returned to lot in different space at 1:15PM
- 5) Ticket recorded at 2:20PM
- 6) I left parking lot at 3PM and had a ticket

Given the timeframes above, you can see there was never a time during that day where I was in the lot for a 2 hour continuous period. I left for an hour and a half during the middle of the day! There is also no signage or clarity stating situations that require you to leave and return will add up your time to 2 hours.

Please cancel this ticket.

Thank you for your consideration.

Sincerely,

Matthew Kunkel
